My Dear Sir,

I have just returned from a visit to my Friends in Kent, & find several letters, which require my immediate attention, or I would do myself the pleasure of calling on you.

I have taken passage in the *Hibernia*, to depart on Tuesday next, it will give me pleasure to be the bearer of any letters that you may wish to send to your Family, or Friends. I purpose leaving town on Saturday.

Yours truly  
James A Jackson

(Anderson's Hotel)
